

GETTING GREAT AT DIALOGUE

Enabling your organisation to become brilliant at communicating & collaborating

The Program

- Dialogue requires us to suspend judgment, listen deeply, and to speak openly, honestly, and with respect.
- To lead change, enable innovation and performance, and to cultivate engagement all require great dialogue.
- We tailor the format of the program to meet your needs.
- We offer an approach to evaluation that enables you to directly track the impact of the program.

Course Text

- The Tao of Dialogue.
- A short book written in story format illustrating the fundamental principles of great dialogue.

Unique Insights

- Program designed by Dr Paul Lawrence
- Content based on extensive experience working inside and alongside small, medium & large organisations.
- A 100% practical program designed to enable significant & sustainable behavioural change.
